

## Bree Collaborative Implementation Survey Results | Health Plans Oncology Care

This report summarizes adoption of the Bree Collaborative’s Oncology Care Recommendations, completed by Washington State health plans in 2016. We measured adoption of specific recommendations using 0-3 point scale, self-assessed by each health plan.

### **Results: 7 Health Plans Responding**

**0** -No action taken; **1** -Actively considering adoption; **2** -Some/similar adoption; **3** -Full adoption

	<b>AVERAGE SCORE</b>
The health plan securely provides patient enrollment and claims data to the Hutchinson Institute for Cancer Outcomes Research (HICOR) for linkage with the Cancer Surveillance System and comprehensive statewide comparison.	<i>1.40</i>
Appropriateness of advanced imaging care is aligned with proper reimbursement that includes safeguards for individual patient exceptions.	<i>1.86</i>
Practice leadership has been engaged as advocates for Choosing Wisely recommendations.	<i>1.67</i>

### **Scale**

We measured adoption of specific recommendations using 0-3 point scale, self-assessed by each health plan.

0 - No action taken	<ul style="list-style-type: none"> <li>• No leadership awareness of Bree Collaborative Topics</li> <li>• No team formed</li> </ul>
1 - Actively considering adoption	<ul style="list-style-type: none"> <li>• Bree topics, aims and components have been discussed</li> <li>• Education, assessment, information gathering</li> <li>• Changes planned but not tested</li> <li>• Information gathering and baseline measurement begun</li> </ul>
2 - Some/similar adoption	<ul style="list-style-type: none"> <li>• Initial test cycles completed for more than one element</li> <li>• Quality metrics and data available demonstrating adoption/effectiveness</li> <li>• Other similar (Bree-like) changes adopted for this topic</li> </ul>
3 - Full adoption	<ul style="list-style-type: none"> <li>• Changes implemented in all areas</li> <li>• All components integrated into care process (i.e. orders, etc.)</li> <li>• Partial or complete closure of gap between baseline &amp; target outcomes</li> </ul>

### **Participating Health Plans**

Aetna  
Amerigroup  
Community Health Plan of Washington

First Choice Health Plan  
Group Health Cooperative  
Molina Healthcare of Washington  
Premera Blue Cross
