

Total Knee and Total Hip Replacement Bundle Public Comment #1

What sector do you represent? (Choose the best fit.)

Orthopedics

Do you have general comments about bundling payment for orthopedic surgery?

Empty

Do you have feedback for Cycle I?

I have not seen any feedback or comments from BCBS regarding performance and quality measures at all for the last two years!

Do you have feedback for Cycle II?

See above

Do you have feedback for Cycle III?

See above

Do you have feedback for Cycle IV?

See above

Do you have feedback on the quality metrics?

I have received no feedback or scoring regarding quality metrics

Do you have feedback on the warranty?

No

How can we help with implementation of this bundle?

Communication and fair compensation

Additional Comments?

No

I had sent an email outlining this that has the info below clearly laid out, but the formatting does not translate to this comment webpage.

Quality Standards Section of the Bree

Under "1. Standards for appropriateness", letter "d."

d. Results of scores for KOOS Jr. and HOOS Jr. and questions regarding everyday physical activities (Question 7) and pain (Question 10) on the PROMIS-10 survey

Bree info Question Comment

KOOS Jr. Everyday Physical Activities Q7 Bending to floor/pick up an object (none, mild, moderate, severe, extreme)

HOOS Jr. Everyday Physical Activities Q7 There is no Q7 on the HOOS Jr

KOOS & HOOS Everyday Physical Activities Q7 Getting in/out of car (none, mild, moderate, severe, extreme)

PROMIS-10 survey pain Q10 How would you rate your pain on average? (0-10)

Appendix C: Detailed Quality Standards Section of the Bree

Under "Standards for ensuring rapid return to function"

c. Results of measures from 2b, specifically including responses to the questions identified in standard 1c (Quality of Life (Q2 and Q4) and Pain (P1, and P4-5) scores for KOOS Jr. and HOOS Jr. and questions regarding everyday

physical activities (Question 7) and pain (Question 10) on the PROMIS-10 survey)

Bree info Question Comment

HOOS Jr. Quality of Life Q2 There is no Quality of Life section. There are four questions under the “Function, daily living” (Q3-Q6)

Q3: “Rising from sitting”

Q4: “Bending to floor/pick up an object

Q5: “Lying in bed (turning over, maintaining hip position)”

Q6: “Sitting”

HOOS Jr. Quality of Life Q4

HOOS Jr. Pain P1 P1. Going up or down stairs (none, mild, moderate, severe, extreme) There are 2 pain questions (P1-P2). I’m not sure how these match up to the question numbers listed on in the Bree.

HOOS Jr. Pain P4 There is no P4 on the HOOS Jr

HOOS Jr. Pain P5 There is no P5 on the HOOS Jr

KOOS Jr. Quality of Life Q2 There is no Quality of Life section. There are two questions under the “Function, daily living” (Q6 & Q7)

Q6: “Rising from sitting”

Q7: “Bending to floor/pick up an object”

KOOS Jr. Quality of Life Q4

KOOS Jr. Pain P1 Q2. Twisting/pivoting on your knee (none, mild, moderate, severe, extreme) There are 4 pain questions (Q2-Q5). I’m not sure how these match up to the question numbers listed on in the Bree.

Q3: “Straightening knee fully”

KOOS Jr. Pain P4 Q4. Going up or down stairs (none, mild, moderate, severe, extreme)

KOOS Jr. Pain P5 Q5. Standing upright (none, mild, moderate, severe, extreme)

PROMIS-10 everyday physical activities Q7 Not sure which question on the PROMIS-10 this refers to.

PROMIS-10 pain Q10 How would you rate your pain on average? (0-10)

Do you have feedback on the warranty?

Empty

How can we help with implementation of this bundle?

Additional Public Comment from UW Medicine Admin: Chart to clarify Public Comment #3

I'm trying to reconcile the PRO results information in the Total Knee and Total Hip Replacement Bundle and Warranty with the HOOS Jr, KOOS Jr and PROMIS-10 questionnaires and am struggling to do so. There are different question numbers noted in the Bree that don't match up to the actual questionnaire. See below. Any assistance you can provide would be greatly appreciated.

Quality Standards Section of the Bree
Under "1. Standards for appropriateness", letter "d." d. Results of scores for KOOS Jr. and HOOS Jr. and questions regarding everyday physical activities (Question 7) and pain (Question 10) on the PROMIS-10 survey

Bree info	Question	Comment
KOOS Jr. Everyday Physical Activities Q7	Bending to floor/pick up an object (none, mild, moderate, severe, extreme)	
HOOS Jr. Everyday Physical Activities Q7		There is no Q7 on the HOOS Jr
KOOS & HOOS Everyday Physical Activities Q7	Getting in/out of car (none, mild, moderate, severe, extreme)	
PROMIS-10 survey pain Q10	How would you rate your pain on average? (0-10)	

Appendix C: Detailed Quality Standards Section of the Bree
Under "Standards for ensuring rapid return to function" c. Results of measures from 2b, specifically including responses to the questions identified in standard 1c (Quality of Life (Q2 and Q4) and Pain (P1, and P4-5) scores for KOOS Jr. and HOOS Jr. and questions regarding everyday physical activities (Question 7) and pain (Question 10) on the PROMIS-10 survey)
