## Hot Topic: Weight Health and GLP1 Medications Event

You are invited to a Bree Collaborative-sponsored Hot Topics session to discuss weight health and GLP1 medications on **December 5 1:00-3:00pm**. This will be a structured hybrid discussion at our FHCQ offices in downtown Seattle, 705 Second Ave Suite 710, Seattle, WA and over Zoom. This will be an opportunity to highlight best practices and barriers to population health but will not result in clinical guidelines.
