

OBSTETRICAL CARE OUTCOMES ASSESSMENT PROGRAM [OB COAP]
BIBLIOGRAPHY – UPDATED November 2019

PAPERS:

Katz Eriksen JL, Souter VL, Napolitano PG, Chandrasekaran S. **Institutional prevalence of class III obesity modifies risk of adverse obstetrical outcomes.** In Press American Journal of Obstetrics & Gynecology MFM.

Souter VL, Nethery E, Kopas ML, Wurz H, Sitcov K, Caughey AB. **Comparison of Midwifery and Obstetric Care in Low-Risk Hospital Births.** Obstetrics & Gynecology. 2019; 134 (5) 1056-1065.

Howbert JJ, Kauffman E, Sitcov K, Souter V. **A Simple Approach to Adjust for Case-Mix When Comparing Institutional Cesarean Birth Rates.** In Press American Journal of Perinatology

Souter V, Painter I, Sitcov K, Caughey A. **Maternal and Newborn Outcomes with Elective Induction of Labor at Term.** American Journal of Obstetrics & Gynecology. 2019; 220: 273 e1 – 273 e11

Francis A, Hugh O, Gardosi J. **Customized vs Intergrowth 21st Standards for the Assessment of Birthweight and Stillbirth Risk at Term.** American Journal of Obstetrics & Gynecology. 2018, 218, Issue 2, S692–S699.

Souter V, Kauffman E, Marshall AJ, Katon JG. **Assessing the potential impact of extending antenatal steroids to the late preterm period.** American Journal of Obstetrics & Gynecology. 2017; 217: 461.e1–461.e

Kauffman E, Souter VL, Katon JG, Sitcov K. **Cervical Dilation on Admission in Term Spontaneous Labor and Maternal and Newborn Outcomes.** Obstet Gynecol. 2016;127(3):481-8.

ORAL PRESENTATIONS:

Souter V, Painter I, Sitcov K, Shah N. **Birth Without Intervention Among American Women.** June 2019; International Normal Labor & Birth Research Conference, UK – Kristin Sitcov.

Painter I, Souter V, Sitcov K, Caughey A. **The Impact of Elective Induction of Labor on Cesareans and Obstetric Outcomes.** February 2019; Society for Maternal Fetal Medicine Annual Meeting, Las Vegas NV - Vivienne Souter, MD

Souter V, Nethery E, Sitcov K, Wurz H, Kauffman E. **Outcomes in Low Risk Singleton Term Births by Intrapartum Provider Type.** June 2018 International Normal Birth and Research Conference, Ann Arbor Michigan – Vivienne Souter, MD

Souter VL, Kauffman E, Marshall AJ, Katon JK. **Assessing the potential impact of extending antenatal corticosteroid use.** January 2017 Society for Maternal Fetal Medicine Pregnancy Meeting, Las Vegas, NV.- Vivienne Souter, MD

ABSTRACTS:

1. Souter V, Katon J, Chien A, Kauffman E, Sitcov K **The Robson Classification: Monitoring and Comparing Cesarean Delivery Rates** Obstetrics & Gynecology 2016;127(5) (suppl):131S
2. Howbert JJ, Souter V, Kauffman,E, Sitcov, K. **Computer Modeling to Predict Cesarean Delivery in Term Nulliparas** [28N]. Obstetrics & Gynecology. 2016;127(5) (suppl):122S
3. de Regt RH, Kauffman E, Marshall AJ, Souter VL. **Delivery management of dichorionic twins from the obstetrics clinical outcomes assessment program (OB COAP).** American Journal of Obstetrics & Gynecology, January 2017 Volume 216, Issue 1, Supplement 216:S426
4. Howbert JJ, Marshall AJ, Kauffman E, Souter VL. **Computer modeling to evaluate variation in cesarean delivery rates.** American Journal of Obstetrics & Gynecology January 2017 Volume 216, Issue 1, Supplement: S516
5. de Regt RH, Katon JK, Kauffman E, Marshall AJ, Souter VL. **To push or not to push: delivery management and newborn outcomes in dichorionic twins.** American Journal of Obstetrics & Gynecology January 2017 Volume 216, Issue 1, Supplement S529
6. Souter VL, Kauffman E, Marshall AJ, Katon JK. **Assessing the potential impact of extending antenatal corticosteroid use.** American Journal of Obstetrics & Gynecology, January 2017 Volume 216, Issue 1, Supplement Vol. 216; S12
7. Howbert JJ, Marshall AJ, Kauffman E, Souter VL. **Computer Modeling to evaluate variation in cesarean delivery rates.** American Journal of Obstetrics & Gynecology. January 2017 Volume 216, Issue 1, Supplement, S516
8. Kauffman E, Sitcov K, Souter V. **Evaluation of cesarean delivery without attempting vaginal birth** American Journal of Obstetrics & Gynecology. January 2018 Volume 218, Issue 1, Supplement, Pages S544–S545
9. Painter I, K, Kauffman E, Souter VL: **Obstetric risk factors and disparities in maternal outcomes in the Hispanic women in Washington State.** American Journal of Obstetrics & Gynecology. January 2018 Volume 218, Issue 1, Supplement, Page S545

10. Painter I, Sitcov K, Kauffman E, Souter VL: **Risk factors and disparities in maternal outcomes in racial minorities in Washington State.** American Journal of Obstetrics & Gynecology. January 2018 Volume 218, Issue 1, Supplement, Page S545
11. Souter V, Chien AJ, Kauffman E, Sitcov K, Caughey AB. **Outcomes associated with prolonged second stage of labor in nulliparas.** American Journal of Obstetrics & Gynecology January 2018 Volume 218, Issue 1, Supplement, Page S226
12. Souter V, Kauffman E, Chien AJ, Sitcov K, Caughey AB. **Length of the second stage of labor in nulliparas in a contemporary US hospital population.** American Journal of Obstetrics & Gynecology January 2018 Volume 218, Issue 1, Supplement, Pages S225–S226
13. Souter V, Sitcov K, Kauffman E. **Mode of delivery before and after publication of guidelines to reduce primary cesarean deliveries.** American Journal of Obstetrics & Gynecology January 2018 Volume 218, Issue 1, Supplement, Page S544
14. Fay E, Hugh O, Francis A, Souter V, Gravett M, Sitcov K, Gardosi J. **Customized Growth vs Intergrowth 21st Birthweight Standards for Identifying SGA Associated Perinatal Outcomes.** Society of Maternal Fetal Medicine Annual Meeting, February 2019, Las Vegas NV
15. Estrada S, Souter V, Painter I, Napolitano P, Kauffman E, Foglia L. **Impact of Late Preterm Steroid Guidelines on Antenatal Steroid Use.** Society of Maternal Fetal Medicine Annual Meeting, February 2019, Las Vegas NV
16. Katz-Eriksen J, Souter V, MacKinnon H, Napolitano P, Chandrasekaran S. **Institutional Prevalence of Class III Obesity Modifies Risk of Cesarean Delivery for Obese Women.** Society of Maternal Fetal Medicine Annual Meeting, February 2019, Las Vegas NV
17. Fay E, Sienas L, Napolitano P, Sitcov K, Souter V, Emily E. **Over 50% of Nulliparous Women ≥40 Year of Age Will Have a Cesarean Delivery.** American College of Obstetrics & Gynecology, May 2019, Nashville TN.

ADDITIONAL POSTERS:

Sitcov K, Katon J, Souter V, Kauffman E. **Improving Labor Management Practices & Outcomes for Mothers & Babies in Washington State: The Obstetrics Clinical Outcomes Assessment Program.** CityMatch Meeting Salt Lake City UT, September 2015

Chien A, Sitcov K, Katon J, Souter V, Kauffman E. **Can we Reduce the Primary Cesarean Section Rate? The Obstetrics Clinical Outcomes Assessment Program (OB COAP) shows it can be done.** CityMatch Meeting Salt Lake City UT, September 2015
