

General Data Abstractors' Teleconference
Tuesday, July 14, 2020
10:30-11:00 AM

Meeting Minutes

1. Attendees: Paula Nichols (Confluence), Thomas Yamashita (Overlake), Kim Olive-Vrieze (Multicare), James Applewhite (Valley), Randi Littlejohn (Virginia Mason), Virginia Harris (Multicare), Kimberly Johnson (Grays Harbor), Karyn Mirante (Grays Harbor), Kelly Jenkins (Legacy), Marilyn Garcia (Morton), Vickie Kolios-Morris (FHCQ)
2. Announcements and Updates:
 - On Friday, 9/11, we will be holding the SCOAP and Spine COAP Annual Meeting from 8:30-12:30, via Zoom and open to all members. A registration link and draft agenda are forthcoming.
3. Data:
 - Please consider data through Q1 2020 discharges as 'clean'.
 - Q2 2020 discharge data abstractions are due on August 17th.
 - The SCOAP/Spine COAP Data Dictionary and Collection Tool have been updated on the member webpage. An email will be forthcoming with attachments as well.
 - Issues/questions discussed regarding timing of postop glucose levels and postop insulin usage. Per Dr. Thirlby, definitions reflect correct timing for each variable.
4. Reporting:
 - Vickie suggested hour-long reporting sessions to show abstractors, analysts and other interested parties how to run specific reports. Please contact Vickie to request setting one of these up.
 - No other issues/questions.

Meeting adjourned at 10:45.

General SCOAP Abstractor Teleconferences are monthly, 2nd Tuesdays at 10:30 AM
