General Information								
Who is the contact at the hospital for general issues regarding OOH transfers?								
Transfer Process								
Will the hospital accept transfer of these patients from OOH providers?								
What telephone number should the OOH provider call to communicate directly with the receiving department or provider?								
To whom should the OOH provider ask to speak?								
Other information or instructions								
In addition to the UWNQC transfer forms and the relevant medical records, is there anything else the OOH provider should routinely provide?								
Which department should the patient go?								
In addition to the OOH provider, how many people may accompany the patient?								
Anything else?								
Post-Transfer Communication								
How will the hospital provider report back to the OOH provider on the patient's hospital course?								

\*Non-urgent is defined as a condition where the patient needs medical attention, but the situation is not life-threatening, and a delay of up to hours is not likely to significantly affect the outcome.

\*\*Urgent is defined as a condition where the patient needs immediate medical attention to prevent serious injury or death.
