Noon: Introductions of new members and guests

Review of to-do's

- Steve was to provide UW MHA student with IO's information. Io will connect students with SIDM.
- Steve and Trish were to follow up with KP. Plan is to do two SureNet webinars in February and their patient preparation tools in March. Trish will distribute draft of tools.
- Steve to contact WSMA to help market KP webinar. Clarified that SureNet is not a vendor and will schedule a meeting to plan WSMA's involvement.
- Randy followed up with WSHA CMO chair and will set a date for Randy to present on the 30th.

Other news

- Dr Crystal Kong-Wong is a Family Doctor and Associate Medical Director of UW Medicine Digital Health will do a podcast with us on telehealth quality in January. Group was asked to submit interview questions.
- Io discussed PCORI telehealth grant.

Nov Workplan update and annual review

- Group reviewed Nov workplan and created 2020 annual review. See attached.
