

Quality/CM A1c Pilot Program: Start to End

DM team will provide the Quality team the Eligibility file each Thursday.

Quality team will work on transferring eligibility file to Everly production file and email it by Monday of the following week.

Everly weekly reports will come every Monday morning and be uploaded to shared folders.

Program Launch Date: November 18, 2024
Program End Date: March 2, 2025

Note: Replaced our organization's name with "X" to make the materials de-identified

How the Everly process works: A1c Kit Start to End
