

GEORGETOWN UNIVERSITY

School of Health

*Executive Master's in Clinical Quality,
Safety & Leadership*

Federal Academic Alliance

The Executive Master's in Clinical Quality, Safety, and Leadership program (EM-CQSL) is proud to be an institutional partner of the **Federal Academic Alliance**. Through this program, we provide scholarships to eligible federal employees across the country as part of the U.S. Office of Personnel Management's effort to address critical skills gaps in mission-critical occupations.

Civil servants will receive a **10% scholarship** for the EM-CQSL master's and certificate program each academic semester. Recipients remain eligible to receive the scholarship for the duration of their academic program, as long as they remain employed by the federal government.

The Yellow Ribbon Program (YRP)

Georgetown University is a proud participant in the **Yellow Ribbon Program (YRP)**, enhancing financial access for eligible military-connected students. This program allows institutions of higher learning to voluntarily enter into an agreement with the VA to fund tuition expenses that exceed the in-state tuition and fees of public institutions or the amount payable to private institutions in an academic year.

For more information see:

Other Resources for Military and Veterans

The Georgetown University **Military and Veterans' Resource Center** and the **Registrar's Office** provides additional information for military-connected individuals to navigate the process of financing their education including instructions on how to use your VA education benefits, lists of additional military funding programs, and external scholarship opportunities for military-connected students.
