

GEORGETOWN UNIVERSITY

School of Health

*Executive Master's in Clinical Quality,
Safety & Leadership*

EXECUTIVE MASTER'S OR GRADUATE CERTIFICATE IN

Clinical Quality, Safety, and Leadership

The online Executive Master's in Clinical Quality, Safety, and Leadership and certificate programs are designed for clinical and nonclinical healthcare professionals interested in taking healthcare quality and patient safety to a higher level of excellence.

With teaching and mentorship from national experts, the online program will immerse learners in real-world application concepts of healthcare quality, patient safety science, and organizational leadership.
